## WORK EXPERIENCE

---

### Android Developer Intern

Starchup Inc, Chicago, IL

Sep 2015 – Jan 2016

Located at 1871 in the Merchandise Mart Plaza in Chicago, I worked as an independent contractor for Starchup Inc, a tech startup with a full-stack software platform; Web, Android, and iOS. I was responsible for all Android modifications, including new feature additions, bug fixes, and application deployment to Play Store.
